Construction Bonded

Crossbands One Piece High Density Fiberboard (HDF)

Vertical Edges* SCL with Laminate edge band
Additional stile options available upon request

Horizontal Edges* Wood

Face & Core Assembly Type 1

Adhesive
Core Structural Composite Lumber. See WDMA Performance Level below.

Lite Openings Wood or metal lite kits available

Louvers

- Wood
- Metal

Warranty Lifetime. No exterior warranty

Finished Accessories

- Vertical Edges
- Lite Mouldings
- Louvers

 painted or stained upon request.

Security Ratings Class 40, highest security rating possible per UBC standard 41-1 & ASTM F-476 section 18

Environmental Options & LEED Credit Contribution
 (Not all credits may be available with some constructions)

- MR 4-Recycled Content- all models
- MR 7-Certified Wood-upon request
- IEQ 4.4-Low-Emitting Materials- all NAUF models
No Added Urea Formaldehyde Resins
- CARB Phase II Compliant

Quality Standards (Quality Assurance/ Industry Standards)

- Aesthetic: WDMA I.S.1A Architectural Wood Flush Doors (Standard construction)
- *Other association aesthetic standards upon request
- WDMA Performance Duty Level: Extra Heavy Duty
- *Product does not require blocking for surface hardware
